

AAG

EVENT SERVICES

**BRING YOUR VISION TO LIFE WITH
OUR INNOVATIVE AV SOLUTIONS**

COMPANY OVERVIEW

AAG Event Services is a Live Event Production and AV Hire Company providing a wide range of services and equipment to clients throughout the GCC, India and Singapore.

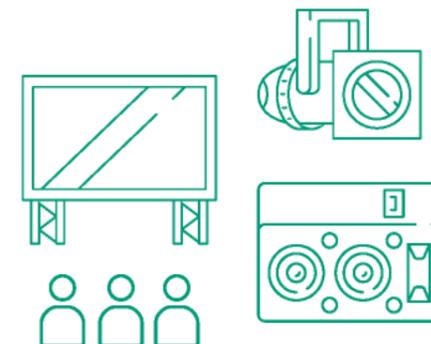

AAG Events isn't just quality service and equipment - our strength lies in our flexibility and versatility to meet the demands of an ever-changing industry.

OUR SERVICES

Our comprehensive range of services will allow you to meet all your AV and staging requirements through a single source. We provide advanced technology and quality AV equipment, handle delivery, set up, and logistics, and even help with event design and planning.

AAG Events are experts in a variety of events – road shows, meetings and conferences, product launches, sporting events, gala dinners and awards nights.

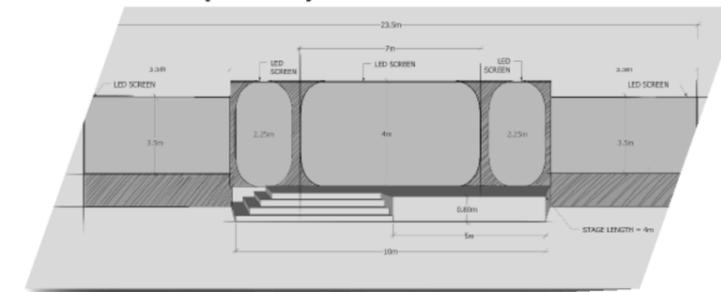

OUR TEAM

Our experienced team of project managers and technicians are able to handle all types of events no matter how complex. Our team will take you from conception through completion with personalised attention to every detail. We work one-on-one with you to understand your requirements and adhere to the highest professional standards taking the extra time to make sure your vision is brought to life.
